*Key Presentations from 2017 StartART<sup>SM</sup> Annual REI Nursing Congress*

## **Curriculum XXI Available Online November 2017**

StartART<sup>SM</sup>, the Annual REI Nursing Congress, provides a unique and comprehensive educational opportunity with the goal of communicating late-breaking information, cutting-edge techniques, and best practices to improve ART success. The StartART<sup>SM</sup> Congress offers the latest innovations in reproductive medicine and nursing presented by a distinguished faculty of experts.

Highlights of the StartART<sup>SM</sup> Congress are featured on this CNE website to provide IVF nurses with updates, insights, and strategies to optimize reproductive potential and outcomes.
