Key Presentations from 2017 StartARTSM Annual REI Nursing Congress

Curriculum XXII Available Online April 2018

StartARTSM, the Annual REI Nursing Congress provides a unique and comprehensive educational opportunity with the goal of communicating late-breaking information, cutting-edge techniques, and best practices to improve ART success. The StartARTSM Congress offers the latest innovations in reproductive medicine and nursing presented by a distinguished faculty of experts.

Highlights of the StartARTSM Congress are featured on this CNE website to provide IVF nurses with updates, insights, and strategies to optimize reproductive potential and outcomes.
